Cloud Solution Provider

offis
SMART Solutions

RingCentral

Established in 1997, Offis Pty Ltd is a 100% Australian owned company that has a proven reputation for successful cloud solution delivery to 100's of clients.

Offis partners with **RingCentral - powered by Zoom** who are the **#1 cloud communications provider worldwide**. We provide remote working solutions to communicate, collaborate and connect from anywhere, on any device.

Offis's **SMART Connect** is unique as it provides an all-inclusive phone system with online meetings, messaging and, with Zoom, video conferencing, team collaborations and advanced analytics.

Speak – Meet – Analyse – Record - Team

Speak

Provides all the benefits of visual voicemail, video conferencing, call forwarding and management.

Meet

Allows you to meet with anyone, whenever they are online, increasing business productivity in real-time.

Analyse

Gives you in-depth insights with an advanced call management system and real-time analytics.

Record

Provides you recording of all conversations with clients, and staff, to ensure no call, or enquiry, goes unattended.

Team

Empowers teams with collaboration tools, file and screen sharing and video tasks all in one desktop/mobile app.
